

# 20 Year Extended Product Guarantee - White Only

## Plaslyne White PVC-ue Roofline, Cladding and PVC Rainwater

Where Plaslyne white PVC-ue roofline, cladding and either a Swish or Kayflow white PVC rainwater system are installed on a property, the standard guarantee period for these systems will be extended to **20 years** subject to the following terms and conditions:

- This extended guarantee covers the weathering and colourfastness of the systems as defined below and will operate for a period of 20 years from the date of installation.
- The products are covered if all of the fascia, soffit, cladding and fittings used to complete the installation are Plaslyne branded and are white only.
- The products are covered if all the rainwater components for the gutters, downpipes and fittings used on the installation are from either the Swish or Kayflow white ranges only.
- The systems must be installed in accordance with the Plaslyne Guide and the Swish or Kayflow Rainwater Installation Guides. The property owner should take all reasonable steps to satisfy themselves that the Installer is competent to undertake the installation.
- In order for this guarantee to apply, it must be registered by the Installer online at [www.kayflow.co.uk](http://www.kayflow.co.uk) within one month of the date of installation.

## Plaslyne Cellular PVC (Roofline and Cladding)

Specialist Building Products Limited (“the Company”) guarantees that white PVC-ue profiles supplied under the Plaslyne brand (“the Profiles”) will perform in accordance with the colourfastness criteria defined within BS7619 : 2010; which includes an artificial accelerated weathering test used to predict longer term natural weathering performance. In addition they are guaranteed not to suffer from “pinking” discolouration. They will retain their decorative and mechanical function provided they are installed and maintained in accordance with the procedures detailed in the British Plastics Federation Codes of Practice and the Plaslyne Guide.

## Rainwater

Specialist Building Products Limited (“the Company”) guarantees that white PVC Rainwater Systems supplied under the Swish or Kayflow brands (“the Systems”) will perform in accordance with the weathering and colourfastness criteria defined within BS EN 607 : 2004 and BS 12200 : 2016, provided they are installed in accordance with the Swish Rainwater Installation Guide (A604), the Kayflow Installation Guide and BS EN 12056-3 : 2000.

No further guarantees are offered on durability, impact resistance, abrasion resistance, stain resistance, resistance to scratching or performance under abnormal weather conditions, fair wear and tear, aggressive industrial conditions, inappropriate applications or malicious/ accidental damage.
